

TROOP 750 PERMISSION SLIP

I hereby grant permission for _____ (print name) to attend the following activity of Boy Scout Troop 750:

Whitewater rafting / kayaking, Kernville, CA _____ from 6/18/09 to 6/21/09

I have received detailed information concerning the activity including required and recommended equipment, clothing, food, etc. and will make certain that he is properly equipped, in good health, and in appropriate physical condition.

He is allergic to the following (foods, medicines, bee stings, etc.):

He [is] [is not] (circle one) currently taking medicine on a regular basis. The name and instructions for this medicine, and any other medicine he takes on an as-assigned basis for beestings, asthma, allergies, etc., are written on the reverse side of this form. I will provide an adequate supply of such medicines to the activity leader prior to departure. The above-named Scout has been instructed not to take any medicines (even aspirin) without the knowledge of the activity leader.

I hereby authorize that emergency medical, dental, X-ray, and/or surgical care may be provided for this Scout while in attendance at Troop 750 activities. Such care to be provided through the facilities of the nearest hospital, physician, or dentist. I agree to pay any medical expenses.

I forever release, acquit, and discharge Troop 750 and its adult leaders from any and all liability. I understand that my child may be sent home at my expense for breaking the rules of this Troop.
